

## 2022 Picture Day Info

Iris Photography will be taking our recital pictures on Friday, May 13<sup>th</sup> or Saturday May 14<sup>th</sup>. Please check the schedule below for time schedule for each class. Please arrive in your first costume with hair and make-up done. Hairstyle for pictures is at parent discretion. If you have multiple costumes changes, we will have one studio available for changes. Please only bring what you need, and NO FOOD OR DRINKS besides water, allowed in the studios. Please not outside shoes in the studio rooms.

**Friday Pictures, May 13<sup>th</sup>** – Because these dancers are younger in age, they will be dismissed to the lobby area for pick up. Parents please be ready to pick up dancers at suggested end time. We will allow **one parent** to wait in lobby area. Please no siblings or extra adults during this time as space is limited. Parents are not allowed in picture studio, as it is distracting to dancers. If your dancer needs a parent, our teaching staff will invite you to come in.

**Saturday Pictures, May 14<sup>th</sup>** - We are asking dancers only in the studio, as this will help keep the studio not so crowded. Dancers will exit through the double glass doors on 4<sup>th</sup> street. Parents, please wait in your cars during their picture time and be ready to pick up dancers at estimated end time.

We will have assigned helpers to assist dancers with multiple costume changes, to help limit the amount of people in the studio. If you are not an assigned helper we ask to please wait outside or in your cars for your dancers.

**Tap/Ballet Combo classes:** Combo classes we will be taking ballet style first. Please layer pink tights over tan tights to help with easier and quicker changes.

**Dance Shoes:** Please make sure your dancer has correct style and color of shoes by this day.

**Ordering** – When ordering pictures, please write the name of your class's dance song under the "name of class" section of your order form. This will help us in combo classes to know what "style" you'd like to order. If you do not specify, we will pick. Please note if you are in a combo class each style is treated as a different "class" and picture order. If you want to order both styles you will need to fill out two columns.

One order form can be used up to 4 classes/styles PER DANCER. Only 1 dancer per form. Each different colored column is for one class/style. All items parents wish to order for that class all goes in one colored column. Put a check mark or quantity in the items to indicate how many you want. There is a place to total each item at the right side of the page and then those totals can total at the bottom.

Please bring filled out form and payment the day of picture day. All payments need to be made to Iris Photography not Step It Up.

**Group Photo** – All dancers from the class will be in the group photo. Please be on time and we have to stick to schedule. If your dancer shows up late, they may not be included in the group photo.

**Individual Photos** - If you do not have an order filled out for a class/style we will not take individual photos of your dancer.
